

Meet the Maths Mates

Maths of Me

Maths Mates assemble!

Our oceans and beaches need cleaning up!
This summer, our heroes – the Maths Mates – will go on a mission to help.

Let's get to know some of the Maths Mates...

There's Time Turtle, and Fraction Fox, Stoot the Stowaway and Chicken.

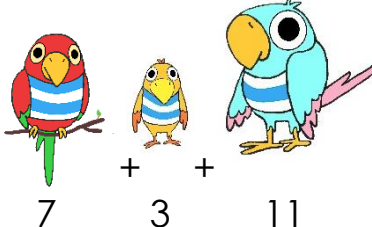

As a family, use the profiles on the next page to learn all about the characters, solving the challenges. What's Time Turtle's favourite number? When is Fraction Fox's birthday?

Become a Maths Mate Hero! Create your own Maths of Me Profile and challenge others to 'figure you out'!

1. Fill in the Maths of Me profile sheet with YOUR numbers. Remember, numbers are a part of you from the size of your shoe to your house number.
2. Challenge others to find your numbers by writing clues on post-it notes/small pieces of paper. What clues can you use? Try calculations, pictures, arrays, or a number line...

...for example if your birthday is 21st of the month you could write:

$20+1=21$	● ● ● ● ● ● ●	
$3 \times 7 = 21$	● ● ● ● ● ● ●	
$42 \div 2 = 21$	● ● ● ● ● ● ●	

3. Don't forget to cover your answer numbers up!
4. Reveal to see if they are correct!
